Birthdays

We have one birthday in school this week.

Hallie in Purple class is 8 at the weekend.

Happy birthday Hallie. We hope your birthday is special and fun.

Reminder about earrings

Children are allowed to wear **one pair of plain stud earrings** for school as per our school uniform policy. There are some lovely, more decorative earrings available to buy now, but please keep these to wear at weekends.

Children **cannot wear earrings for PE**, even if the earrings are covered by tape. Staff cannot remove your child's earrings. If your child is unable to remove their earrings themselves, please take earrings out before school on PE days.

WEEK 1

WEEK 2

Update from this week

Green class visited the **Whitley Bay Islamic Cultural Centre** on Tuesday afternoon. This visit was planned to complement their learning in RE lessons where the children have been thinking about these two questions-

- Who is a Muslim and how do they live?
- What makes some places sacred to believers?

The **Imam**, who is a person who leads congregational prayers in a mosque and provides religious guidance, gave the children a guided tour of the mosque. He showed them where he sits during a prayer session and the showed them the **Mihrab**, which is a decorative, concave niche in the wall of a mosque that indicates the direction of Mecca.

Example of a Mihrab

The children are learning about the **Five Pillars of Islam** and the Imam talked to the children about them. The children saw the **Qur'an**, which is the Muslim holy book, and looked at the Arabic writing and the right to left direction of the text.

The children all enjoyed this opportunity to visit to the mosque and to find out more about the topic they are learning in RE lessons. Thank you to Amy's mam Laura and Mila's mam Rachel for accompanying Miss Winter and the children on this super school visit.

Next week

Another busy week is planned in school next week. Year 2 will be welcoming a **visitor** into school to give them a talk on **mining in Seghill**. This will complement their learning in **history lessons** on the topic of "What was it like to work in the mines in Seghill?"

Year 1 will also be visiting the **synagogue** to complement their learning in **RE lessons**. Children have been thinking about these two questions-

- Who is Jewish and how do they live?
- What makes some places sacred to believers?

We have visited to synagogue for a number of years and we always receive a lovely warm welcome from the synagogue's volunteers. The children always find it fascinating to see the artefacts that are important to Jewish people and find out more about the beliefs and traditions of Jewish people.

Safer Internet Day 2026

Coordinated by the UK Safer Internet Centre

saferinternetday.org.uk

Safer Internet Day 2026 will be taking place on **Tuesday 10 February**. Schools across the country will be planning a range of activities to help us to understand **new technological developments** and think about how to **keep our children safe on line**.

Mrs Askew, our computing lead, has organised a **range of activities** for children in all year groups for Safer Internet Day, which will complement our existing computing curriculum.

In addition to this, Mrs Askew will be leading a **workshop for parents** and carers on **Tuesday 10 February** at **9:00am**. The workshop will start at 9:00am with a **presentation for parents**, then children will come to the hall to work with their adults using our Chromebooks. Mrs Askew will be sending out further information soon. Please keep a note of this date as the workshop will be a great opportunity for you to find out more about keeping your child safe on line and to work with your child.
