Revised school meals menu

From **Monday 13 November** we will be launching our new **school meals menu**. A copy is on page 4. You will notice some of our traditional favourites and some new dishes. You will also note that this is a **four week menu**. Week one of the menu will be served from Monday 13 November. The menu always reverts to week one after every half term.

Children will continue to ask for a school meal or packed lunch during registration every day and meals will be cooked to order in the kitchen by Mrs Rogage. Special diets will continue to be catered for.

Children in Reception, Year 1 and Year 2 will continue to get their school meal free of charge due to the Universal Infant Free School Meals scheme. If your child is in Nursery, Year 3 or Year 4 and you do pay for school meals, please **check your school meals balance** on School Gateway. I am aware that there have been technical issues with this system but I have been told that they have been resolved. There are quite a few **significant outstanding balances** and we would be grateful for the outstanding balances to be paid.

Hall floor

As explained in our previous newsletter, we employed a specialist company to **sand, varnish and seal** the hall floor. This was not only to approve the appearance of the hall floor, but also to make it safer. We had noticed a few splinters coming up recently so we used specialists to make sure that this does not happen again.

The company has also added a **marked court** on the hall floor which will help us in PE lessons.

This work was carried out during the half term holiday and we are delighted with the results. We paid for this work to be completed using our **Sports Premium funding**. It has definitely been money well spent.

Topic homework

Your child was given their **October half term topic homework on Friday 20 October**. This is an extended piece of homework to be completed in their topic homework book and handed in no later than **Wednesday 15 November**. During this time there will be no Maths or English homework set. Please note that even though we will not be sending home maths and English homework at this time, spellings will still be given out each week and children should continue to read at home and return their reading book and reading record to school every day.

Topic Homework is given instead of three weeks' worth of maths and English homework. With this in mind, we expect to see a minimum of three tasks that are completed to a high standard, and reflect the equivalent of three weeks' worth of homework. Models, paintings and sculptures that children have completed should be brought in alongside their topic homework books.

In previous years we have received some super examples of just how creative you are, including excellent models, pictures, writing and drawings. Staff will include ideas of activities that children can complete in their topic homework, but we want to see what you can do.

Pictures of completed topic homework will be shared and celebrated via our **school Facebook page** and the **homepage of the school website**, so please keep an eye out for them.

We would really appreciate your support with Topic Homework so all children have at least three pieces of high-quality work which they can be very proud of.

A message from Seaton Valley Food bank

Thank you to everyone for the donations for our harvest festival. If you came to Celebration Assembly you would have seen everything displayed on the stage.

All items were donated to the **Seaton Valley Food Bank**. Mrs Bell collected everything up and took it to the food bank. We received this message from David Freeman, an engagement and development Officer for Seaton Valley Community Council-

"The council would like to thank the students and staff from Seghill First School for their kind and generous donations to the Food Bank from their Harvest Festival.

Since 1 April this year, the council have issued 180 food parcels to families and individuals in Seaton Valley who needed a little extra support to help them get by.

The items that have been donated will go a long way in helping support the food bank and once again I thank everyone for their generosity."

Showing respect and remembrance

We are all extremely proud of our children for taking part in our **two minutes of silence** at 11:00am today.

The children were all extremely respectful and observed the silence beautifully. Well done everyone.

Arrangements for Christmas

We had our Christmas staff meeting this week. Next week we will be sharing information with you about the **arrangements** for our packed programme of **Christmas activities** (see the calendar on page 2).

Donations for the Christmas fayre

Thank you to everyone who wore non uniform and brought in a **donation for the general tombola** today. Your kindness is very much appreciated and we have some great prizes for the tombola.
